Event Report

Theme of Event	Innovation & Design Thinking
Title of Event	Industrial visit to Indo German Tool Room, Ahmedabad
Type of Event	Industry Visit
Objective of Event	- To have an exposure to various cutting edge technologies in the field of manufacturing to the mechanical engineering students -To make students thinking about transformations from conceptual designs to real manufacturing/designed products
Mode of Conduct	Offline
Level of Activity	Level-2 (5-7 Hours)
Date & Time of Event:	17/03/2026 from 09:00 am to 04:30 pm (Batch 1) 18/03/2026 from 09:00 am to 04:30 pm (Batch 2)
Event Convener	-
Event Coordinator/s	- Harmish Bhatt - Aakash Vyas - Gajanan Patange - Viral Panara - Vikas Panchal - Satayu Travadi
Target Audience	B.Tech. Second year and Third year (Mechanical) students
Name of the Expert (if Any)	-
Affiliation of Expert	-
Number of participants	113
Key Output of Activity with KPIs	- Exposure to cutting edge technologies to think about idea conceptualisation to real life design and manufacturing

Event Description and Key Outcomes of the Event/Activity:

Students of the Mechanical Engineering Department, CHARUSAT, explored the advanced manufacturing environment at Indo German Tool Room, Ahmedabad.

From advanced machining processes to real-time industrial practices, the visit provided valuable exposure and a deeper understanding of manufacturing technologies. Both batches gained insights into precision engineering, bridging the gap between theoretical knowledge and real-world applications. Various cutting edge technologies students explored are as under

- Metal 3D printers
- Welding Robots
- Coordinate measuring machines
- Wire cut EDMs

Annexure 1: Event Poster

The poster features a light wood-grain background. At the top, four logos are displayed: CHARUSAT, Institution's Innovation Council, CIVF, and CSPIT. A central white box with a green border contains the event title and details. To the right of this box is a red square with the text '4 QUALITY EDUCATION' and an icon of an open book and a pencil. At the bottom, three pieces of information are listed: Date, Time duration, and Location.

Brief Profile: The Indo German Tool Room (IGTR) Ahmedabad, established in 1990 under the Ministry of MSME (Govt. of India) with German collaboration, is a premier technical institution focused on tool and die making, CAD/CAM/CAE training, and precision manufacturing. Located in Vatva, it provides industry-oriented vocational training and manufacturing services for plastic moulds, die-casting dies, and jigs/fixtures.

IGTR serves as a bridge between technical education and industrial needs, focusing on high-precision manufacturing solutions and practical training.
